About BIM, Trichy

Set up in 1984, Bharathidasan Institute of Management (BIM), Tiruchirappalli is one of the premier Indian B-schools. It is consistently ranked among the top B-Schools in India ever since its inception. Housed inside an industrial giant, BHEL (Bharat Heavy Electricals Limited), a multitude of industry experts have time and again testified to the distinctive brand of leaders that BIM, Trichy has produced. Its MBA programme is highly rated and an amalgamation of a highly rigorous and contemporary curriculum, with experiential learning facilitated by inspiring faculty.

Programme objectives

Introduction of the new Indian Accounting Standards (IND AS) with effect from the financial year 2016-17 has made understanding and analysis of the corporate financial statements somewhat challenging for many users due to significant changes in accounting standards, terminology, formats, and inclusion of more varied information in annual report compared to disclosure made earlier under Indian Generally Accepted Accounting Principles (GAAP). In view of this, Bharathidasan Institute of Management has designed an online skill development programme to enable the participants:

- Navigate through corporate financial statements prepared under new IND AS
- Understand the framework of financial statements analysis and projections
- Learn step-by-step financial modelling (analysis and projections) using MS Excel

The programme will be conducted through hands-on-learning mode and use actual company data for financial modelling. Participants will receive certificate of participation on successful completion of the programme.

Contents

- Introduction to the new accounting standards (IND AS)
- Understanding structure and contents of the financial statements
- Framework of financial statement analysis (horizontal, vertical, and ratio analysis)
- Modelling financial statement analysis in MS Excel using actual company data
- Modelling projections using MS Excel using the same company data

Schedule

Date/Day	1 June 21 Tuesday	2 June 21 Wednesday	3 June 21 Thursday	4 June 21 Friday
Session No.	1	2	3	4
Duration	3 hours	3 hours	3 hours	3 hours
Timing	14:00 – 17:00	14:00 – 17:00	14:00 – 17:00	14:00 – 17:00

Who should attend?

This programme is designed for management faculty, professionals and researchers working or intend to work in the field of corporate finance, equity research, investment banking, and private equity investment. The participants are expected to know the basics of MS Excel.

Fees and mode of payment

As the programme is going to be 'ONLINE' and these are testing times due to corona, we want to keep the fee at the lowest possible to better serve the teaching fraternity. Hence, it is decided to charge only Rs. 2500/- per participant.

Mode of Payment

Name of account holder : Bharathidasan Institute of Management - Utilities Payment A/c
Name of Bank : City Union Bank, Thuvakudi Branch, Trichy 620022
SB Account Number : 500101012618008
IFSC : CIUB0000210

On making payment, the participant has to mail us (mdp@bim.edu) the transaction details so that we can reconcile the payments.
